October 6, 2020

Greetings NEO Knights Families,

It has come to our attention there are questions arising regarding winter sports at Northeast Ohio College Preparatory High School. As everyone is keenly aware, COVID-19 has altered the way schools opened for the 2020-2021 academic year. Due to the pandemic, we started school after Labor Day and suspended fall sports, as we wanted to ensure the safety of all stakeholders.

The Board of Directors voted to re-visit the postponement of our sports program after the first nine weeks of the academic year. We are currently in our fifth week of school; therefore, the Board of Directors will reconvene to discuss the possibility of hosting winter sports at Northeast Ohio College Preparatory High School at the completion of the nine weeks.

The decision to postpone sports at Northeast Ohio College Preparatory High School was not made haphazardly; however, the decision to place a hold on sports was made out of an abundance of care for the student's and family's health and well-being.

Thank you and we look forward to a successful and promising school year.

Educationally yours,

NEO Knight Leadership Team

Our Mission is to prepare students in a college preparatory high school that will ensure success and graduation from a four-year college or university.
