Happy New Year! We hope this communication finds you and your family safe and well. The second semester is now underway and we are heading into home. Please encourage your scholars to log into every class for the entire block. It is imperative that students are logged in everyday for 6.5 hours for attendance purposes.

The internet reimbursement opportunity for families in need is available through **January 15, 2021**. Families in need may initiate the process by completing the [Internet Reimbursement Form](#).
