2357 Tremont Avenue Cleveland, Ohio 44113 (216)965-0580 www.neocollegeprep.org

May 1, 2020

Dear NEO Knight Families,

I hope this communication finds you safe and well. During this unprecedented and unsettling period, we are thinking of you and praying that you are managing as successfully as possible. We are living in a time unlike any we have ever seen. With each day we are adjusting to new expectations and new routines with regards to how we communicate and interact, how we learn and how we lead, how we work and conduct business and how we provide and care for our families. The past eight weeks have been difficult. COVID-19 has impacted every member of our community, and I know the impact has been significant for many. Whatever the circumstances surrounding you and your family, please know the NEO High School staff members are wishing you the best. You are indeed in our thoughts and prayers.

To every NEO Knight scholar, we miss your physical presence, and we look forward to reconnecting with you in August. We know you are also experiencing a great deal of change in how you are studying and keeping up with school. We want to encourage you to continue to strive for your best. You have the ability, and character to meet every challenge with success. No matter the obstacle, setback or adversity, continue to push forward, continue to work, continue to lead, continue to be change you want to see in the world, set your own standard and set that standard high! Be the exceptional KNIGHTS we know you are.

With that, there is so much we are processing every day, and there are many issues that weigh heavily on our hearts and minds. Our focus for weeks has been on the well-being of our families. Hence, meal assistance is still available to all families. Meal pick-up is once per week, at Lincoln Park Academy- Lower Campus 3185 W 41st St, Cleveland, OH 44109 on Tuesdays from 10:00AM-12:00PM. While the situation related to the COVID-19 has evolved, there is still considerable uncertainty about the future. Therefore, please understand we will continue to work in our scholars' best interest as we continue to deliver learning opportunities remotely.

We are all in this together. We are here to support you and your scholar during this time. Please continue to check your email as well as our website www.neocollegeprep.org and our Facebook page for updates. If you have questions about the remote learning, or if there is anything we can do to support you or your scholar, please do not hesitate to email or call.

Yours in Education,

Veda Giles-Weeks
