Greetings Knights Families,

We have exciting news regarding online scheduling for the 2021-2022 school year. All students have the opportunity to pre-select their chosen electives for the semester or the entire year, depending on if the course is year-long or a semester course.

Please take a moment to review the course offerings, within the course catalog, describing each class before you complete the survey, within the links provided.

It is important that all students complete the survey, via the link provided, prior to July 1, 2021. If your scholar does not complete the survey, prior to July 1st, their courses will be selected for them.

If the links should not work, please copy and paste in your URL, search bar.

Thank you,
