Greetings Parents and Guardians,

Our number one job at Northeast Ohio College Preparatory High School is to provide your scholar with the best positive learning experience in a safe environment. We work each day to encourage students to be successful at their job of learning. We ask that you do the same by supporting 2021-2022 dress code protocol. Uniforms are an important part of the school's identity: It has a positive impact on students' learning and behavior in and around the school, serves to unite students, increases student pride, and eliminates barriers where all students are treated equally.

In addition, school uniforms offer many benefits to young adults. Uniforms promote greater school spirit. Having pride in one's school can be a powerful motivator. Most schools with uniform policies see improvements with their student's schoolwork, overall behavior, and culture.

Northeast Ohio College Preparatory High School students are expected to participate in our school's uniform policy daily.
